APPOINTMENT AND QUALIFICATIONS

In order to qualify to become a notary public you must meet all of the following requirements: (Government Code section 8201)

1. Be a legal resident of the State of California;
2. Be at least 18 years of age;
3. Satisfactorily complete a course of study approved by the Secretary of State;
4. Pass a written examination prescribed by the Secretary of State; and
5. Pass a background check.

To determine if a person meets the requirements to fulfill the responsibilities of the position, a completed application shall be submitted at the examination site, then forwarded to the Office of the Secretary of State and reviewed by Secretary of State staff for qualifying information.

To assist the Secretary of State in determining the identity of an applicant and whether the applicant has been convicted of a disqualifying crime, state law requires all applicants to be fingerprinted as part of a thorough background check **prior** to being granted an appointment as a notary public. (Government Code section 8201.1) Information concerning the fingerprinting requirements will be mailed to candidates who pass the examination. Commissioned notaries public seeking reappointment with less than a six-month break in service are not required to have their fingerprints retaken. Those applicants who have held a notary public commission in the past, but have had a break in their commission of more than six months, are required to have their fingerprints submitted via live scan.

Convictions

Applicants are required to disclose arrests for which trials are pending and **all** convictions on their applications, including convictions dismissed under Penal Code section 1203.4 or 1203.4a. If you have any questions concerning the **disclosure** of convictions or arrests, contact the Secretary of State prior to signing the application. If you do not recall the specifics about your arrest(s) and/or conviction(s), you can contact the **California Department of Justice** at (916) 227-3849.

The Secretary of State may deny an application for the following reasons: (For a complete list of reasons the Secretary of State may deny an application, please refer to Government Code section 8214.1 and the *Notary Public Disciplinary Guidelines (2001)*.)

- Failure to disclose any conviction;
- Conviction of a felony; or
- Conviction of a disqualifying misdemeanor when less than 10 years have passed since the completion of probation.

The applicant has the right to appeal the denial through the administrative hearing process. (Government Code section 8214.3)

Please refer to the Secretary of State's *Notary Public Disciplinary Guidelines (2001)*, for a list of the most common disqualifying convictions. The disciplinary guidelines are available on the Secretary of State's website or can be mailed to you upon request. Please refer to the inside front cover of this handbook for our website and mailing addresses.

Notary Public Education

All persons appointed on or after July 1, 2005, are required to take and satisfactorily complete a six-hour course of study approved by the Secretary of State prior to appointment as a notary public. Please note that all persons being appointed, no matter how many commission terms that person has held in the past, are required to take the initial six-hour course of study. (Government Code section 8201(a)(3) and (b)) Persons who hold current California notary public commissions and who have completed an approved six-hour course at least one time

are required to take and satisfactorily complete an approved three-hour refresher course prior to reappointment as a notary public. The three-hour refresher course must be completed and the application for reappointment must be made before the current commission expires. If the commission expires before application is made for a new commission, a person must take an approved six-hour course before being reappointed as a notary public, even if the person has at least one time satisfactorily completed an approved six-hour course. The Secretary of State reviews and approves courses of study. These approved courses include all the material that a person is expected to know to satisfactorily complete the written examination. The Secretary of State compiles a list of all persons offering an approved course of study. This list is available on the Secretary of State's website or can be mailed to you upon request. Please refer to the inside front cover of this handbook for the Secretary of State's approved education vendors website and for our mailing address. (Government Code section 8201.2)

REQUIREMENTS AND TIME LIMIT FOR QUALIFYING

Once the commission has been issued, a person has 30 calendar days from the beginning of the term prescribed in the commission to take, subscribe, and file an oath of office and file a \$15,000 surety bond with the **county clerk's office**. The commission does not take effect until the oath and bond are filed with the county clerk's office. The filing must take place in the county where the notary public maintains a principal place of business as shown in the application on file with the Secretary of State. If the oath and bond are not filed within the 30-calendar-day time period, the commission will not be valid, and the person commissioned may not act as a notary public until a new appointment is obtained and the person has properly qualified within the 30-calendar-day time limit. Government Code section 8213(a) permits the filing of completed oaths and bonds by the applicable county clerk by certified mail. It should be noted that **exceptions** to the 30-day filing requirement **are not made** due to mail service or county clerk mail processing delays or for any other reason. If mailing an oath and bond to the county clerk, sufficient time must be allowed by the newly appointed notary public to ensure timely filing. (Government Code sections 8212 and 8213)

NOTARY PUBLIC BONDS

In order to provide some protection to the public, California law requires every notary public to file an official bond in the amount of \$15,000. It is important to note that the notary public bond is not an insurance policy for the notary public. It is designed only to provide a limited fund for paying claims against the notary public. The notary public remains personally liable to the full extent of the damage sustained and may be required to reimburse the bonding company for sums paid by the company because of misconduct or negligence of the notary public. (Government Code sections 8212 to 8214)

GEOGRAPHIC JURISDICTION

A notary public can provide notarial services throughout the State of California. A notary public is not limited to providing services only in the county where the oath and bond are on file. In virtually all of the certificates the notary public is called on to complete, there will be a venue heading such as "State of California, County of _____." The county named in the heading is the county where the signer personally appeared before the notary public and acknowledged signing the document or where the signer swore to (or affirmed) and signed the document before the notary public in the case of a jurat. (Government Code section 8200)

ACTS CONSTITUTING THE PRACTICE OF LAW

California notaries public are prohibited from performing any duties which may be construed as the unlawful practice of law. Among the acts which constitute the practice of law are the

preparation, drafting, or selection or determination of the kind of any legal document, or giving advice with relation to any legal documents or matters. If asked to perform such tasks, a California notary public should decline and refer the requester to an attorney.

NOTARY PUBLIC SEAL

Each notary public is required to have and to use a seal. The seal must be kept in a locked and secured area, under the direct and exclusive control of the notary public and must not be surrendered to an employer upon termination of employment, whether or not the employer paid for the seal, or to any other person.

Because of the legal requirement that the seal be photographically reproducible, the rubber stamp seal has become all but universal; however, notaries public may also use an embosser seal in addition to the rubber stamp. The legal requirements for a seal are shown below. (Government Code section 8207)

1. It is photographically reproducible when it is affixed to a document.
2. It contains the State Seal and the words "Notary Public."
3. It contains the name of the notary public as shown on the commission.
4. It contains the name of the county where the oath of office and notary public bond are on file.
5. It contains the expiration date of the notary public commission.
6. It contains the sequential identification number (commission number) assigned to the notary public as well as the identification number assigned to the manufacturer or vendor.
7. It may be circular not over two inches in diameter, or may be a rectangular form of not more than one inch in width by two and one-half inches in length, with a serrated or milled edged border.

Many documents that are acknowledged may later be recorded. A document may not be accepted by the recorder if the notary public seal is illegible. Notaries public are cautioned to take care that the notary public stamp leaves a clear impression. All the elements must be easily discernible. The seal should not be placed over signatures or any printed matter on the document. An illegible or improperly placed seal may result in rejection of the document for recordation and result in inconveniences and extra expenses for all those involved.

The law allows a condition under which a notary public may authenticate an official act without using an official notary public seal. Because subdivision maps are usually drawn on a material that will not accept standard stamp pad ink and other acceptable inks are not as readily available, acknowledgments for California subdivision map certificates may be notarized without the official seal. The notary public's name, the county of the notary public's principal place of business, and the commission expiration date must be typed or printed below or immediately adjacent to the notary public's signature on the acknowledgment. (Government Code section 66436(c))

A NOTARY PUBLIC SHALL NOT USE THE OFFICIAL SEAL OR THE TITLE NOTARY PUBLIC FOR ANY PURPOSE OTHER THAN THE RENDERING OF NOTARIAL SERVICE. (Government Code section 8207)

A notary public is guilty of a misdemeanor if the notary public willfully fails to keep his or her notary public seal under the notary public's direct and exclusive control or if the notary public willfully surrenders the notary public's seal to any person not authorized to possess it. (Government Code section 8228.1)

When the notary public commission is no longer valid, the notary public seal must be destroyed to protect the notary public from possible fraudulent use by another. (Government Code section 8207)

IDENTIFICATION

When completing a certificate of acknowledgment or a jurat, a notary public is required to certify to the identity of the signer of the document (Civil Code sections 1185(a), 1189, Government Code section 8202). Identity is established if the notary public **personally knows** the signer **or** if the notary public is presented with **satisfactory evidence** of the signer's identity. (Civil Code section 1185(a))

Personally Knows – “Personally Knows” means having an acquaintance, derived from association with the individual in relation to other people and based upon a chain of circumstances surrounding the individual, which establishes the individual's identity with at least reasonable certainty. (Civil Code section 1185(b))

Satisfactory Evidence – “Satisfactory Evidence” means the absence of any information, evidence, or other circumstances which would lead a reasonable person to believe that the individual is not the individual he or she claims to be **and** (A) Paper Identification Documents **or** (B) the oath of a single credible witness **or** (C) the oaths of two credible witnesses, as specified below:

A. **Paper Identification Documents** – Identity of the signer can be established by the notary public's reasonable reliance on the presentation of any one of the following documents, provided that the identification document is **current or has been issued within five years** (Civil Code section 1185(c)(3) & (4)):

1. An identification card or driver's license issued by the California Department of Motor Vehicles;

2. A United States passport;

3. Other State-approved identification card, consisting of any one of the following, provided that it also contains a **photograph, description of the person, signature of the person, and an identifying number** –

(a) A passport issued by a foreign government, provided that it has been stamped by the U.S. Immigration and Naturalization Service or the U.S. Citizenship and Immigration Services;

(b) A driver's license issued by another state or by a Canadian or Mexican public agency authorized to issue drivers' licenses;

(c) An identification card issued by another state;

(d) A military identification card with the required photograph, description of the person, signature of the person, and an identifying number. (Some military identification cards do not contain all the required information.);

(e) An inmate identification card issued by the California Department of Corrections, if the inmate is in custody.

NOTE: The notary public must include in his or her journal the type of identifying document, the governmental agency issuing the document, the serial or identifying number of the document, and the date of issue or expiration of the document that was used to establish the identity of the signer. (Government Code section 8206(a)(2)(D))

B. **Oath of a Single Credible Witness** – The identity of the signer can be established by the **oath of a single credible witness** whom the notary public **personally knows**. (Civil Code section 1185(c)(1)) Under oath, the credible witness must swear or affirm under penalty of perjury that each of the following is true (Civil Code section 1185(c)(1)(A)-(E)):

1. The individual appearing before the notary public as the signer of the document is the person named in the document;

2. The credible witness personally knows the signer;

3. The credible witness reasonably believes that the circumstances of the signer are such that it would be very difficult or impossible for the signer to obtain another form of identification;

4. The signer does not possess any of the identification documents authorized by law to establish the signer's identity;

5. The credible witness does not have a financial interest and is not named in the document signed.

NOTE: The single credible witness must sign the notary public's journal. (Government Code section 8206(a)(2)(D)) No paper identification document is used since the notary public personally knows the single credible witness. (Civil Code section 1185(c)(1))

C. **Oaths of Two Credible Witnesses** – The identity of the signer can be established by the oaths of two credible witnesses whom the notary public **does not personally know**. (Civil Code section 1185(c)(2)) However, in such a case, the notary public must first establish the identities of the two credible witnesses by the presentation of paper identification documents as set forth above. Under oath, the credible witnesses must then swear or affirm under penalty of perjury to each of the things sworn to or affirmed by a single credible witness, as set forth above. (Civil Code sections 1185(c)(2) and 1185(c)(1)(A)-(E))

NOTE: The credible witnesses must sign the notary public's journal and the notary public must indicate in his or her journal the type of identifying documents, the identifying numbers of the documents and the dates of issuance or expiration of the documents presented by the witnesses to establish their identities. (Government Code section 8206(a)(2)(E))

NOTARY PUBLIC JOURNAL

A notary public is required to keep one active sequential journal at a time of all acts performed as a notary public. The journal must be kept in a locked and secured area (such as a lock box or locked desk drawer), under the direct and exclusive control of the notary public. The journal shall include the items shown below. (Government Code section 8206(a))

1. Date, time and type of each official act (e.g. acknowledgment, jurat).
2. Character of every instrument sworn to, affirmed, acknowledged or proved before the notary public (e.g. deed of trust).
3. The signature of each person whose signature is being notarized.
4. A statement as to whether the identity of a person making an acknowledgment or taking an oath or affirmation was based on personal knowledge or satisfactory evidence. If identity was established by satisfactory evidence pursuant to Civil Code section 1185, then the journal shall contain the signature of the credible witness swearing or affirming to the identity of the individual or the type of identifying document, the governmental agency issuing the document, the serial or identifying number of the document, and the date of issue or expiration of the document. (e.g., driver's license, [State] Department of Motor Vehicles, #X00000, 00/00/00.)
5. If the identity of the person making the acknowledgment or taking the oath or affirmation was established by the oaths or affirmations of two credible witnesses whose identities are proven upon the presentation of satisfactory evidence, the type of identifying documents, the identifying numbers of the documents and the dates of issuance or expiration of the documents presented by the witnesses to establish their identity. (e.g., driver's license, [State] Department of Motor Vehicles, #X00000, 00/00/00.)
6. The fee charged for the notarial service.
7. If the document to be notarized is a deed, quitclaim deed, or deed of trust affecting real property, the notary public shall require the party signing the document to place his or her right thumbprint in the journal. If the right thumbprint is not available, then the notary public shall have the party use his or her left thumb, or any available finger and shall so indicate in the journal. If the party signing the document is physically unable to provide a thumb or fingerprint, the notary public shall so indicate in the journal and shall also provide an explanation of that physical condition.

If the sequential journal is stolen, lost, misplaced, destroyed, damaged, or otherwise rendered unusable, the notary public must **immediately** notify the **Secretary of State** by certified or

registered mail. The notification must include the periods of journal entries, the notary public commission number, the commission expiration date, and, when applicable, a photocopy of the police report that lists the journal. (Government Code section 8206(b))

A notary public must provide a photo-static copy of a line item from his or her journal when provided with a written request from any member of the public. The written request shall include the name of the parties, the type of document, and the month and year in which the document was notarized. The cost must not exceed thirty cents (\$0.30) per page. (Government Code section 8206(c))

The sequential journal is the exclusive property of the notary public and shall not be surrendered to an employer upon termination of employment, whether or not the employer paid for the journal, or at any other time. The circumstances in which the notary public must relinquish the journal or permit inspection and copying of journal transactions and the procedures the notary public must follow are specified in Government Code section 8206(d).

A notary public is guilty of a misdemeanor if the notary public willfully fails to properly maintain the notary public's journal. (Government Code section 8228.1)

Within 30 days from the date the notary public commission is no longer valid, the notary public must deliver all notarial journals, records and papers to the **county clerk's office** where the oath is on file. If the notary public willfully fails or refuses to do so, the notary public is guilty of a misdemeanor, and shall be personally liable for damages to any person injured by that action or inaction. (Government Code section 8209) Any notarial journals, records and papers delivered to the Secretary of State will be returned to the sender.

CONFLICT OF INTEREST

A notary public is not prohibited from notarizing for relatives or others, unless doing so would provide a direct financial or beneficial interest to the notary public. With California's community property law, care should be exercised if notarizing for a spouse or a domestic partner.

A notary public would have a direct financial or beneficial interest to a transaction in the following situations: (Government Code section 8224)

- If a notary public is named, individually, as a principal to a financial transaction.
- If a notary public is named, individually, as any of the following to a real property transaction: beneficiary, grantor, grantee, mortgagor, mortgagee, trustor, trustee, vendor, vendee, lessor, or lessee.

A notary public does not have a direct financial or beneficial interest in a transaction if a notary public is acting in the capacity of an agent, employee, insurer, attorney, escrow, or lender for a person having a direct financial or beneficial interest in the transaction.

If in doubt as to whether or not to notarize, it is recommended that you seek the advice of an attorney.

ACKNOWLEDGMENT

The form most frequently completed by the notary public is the certificate of acknowledgment. The certificate of acknowledgment must be in the form set forth in Civil Code section 1189. In the certificate of acknowledgment, the notary public certifies:

1. That the signer **personally appeared** before the notary public on the date indicated in the county indicated.
2. To the identity of the signer.
3. That the signer acknowledged executing the document.

The notary public sequential journal *must* contain a statement as to whether the identity of a person making the acknowledgment or taking the oath or affirmation was based on personal

knowledge or satisfactory evidence. If identity was established based on satisfactory evidence, then the journal shall contain the signature of the credible witness swearing or affirming to the identity of the individual or the type of identifying document used to establish the person’s identity, the governmental agency issuing the document, the serial or identifying number of the document, and the date of issue or expiration of the document. If the identity of the person making the acknowledgment or taking the oath or affirmation was established by the oaths or affirmations of two credible witnesses whose identities are proven upon the presentation of satisfactory evidence, then the journal shall contain the type of identifying documents, the identifying numbers of the documents and the dates of issuance or expiration of the documents presented by the witnesses to establish their identity.

The certificate of acknowledgment must be completely filled out at the time the notary public’s signature and seal are affixed.

The completion of a certificate of acknowledgment that contains statements that the notary public knows to be false not only may cause the notary public to be liable for civil penalties and administrative action, but is also a criminal offense.

A notary public may complete a certificate of acknowledgment required in another state or jurisdiction of the United States on documents to be filed in that other state or jurisdiction, provided the form does not require the notary public to determine or certify that the signer holds a particular representative capacity or to make other determinations and certifications not allowed by California law.

Any certificate of acknowledgment taken within this state shall be in the following form:

State of California County of _____	}	
On _____ before me, (here insert name and title of the officer), personally appeared _____ _____,		
personally known to me (or proved to me on the basis of satisfactory evidence) to be the person(s) whose name(s) is/are subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or the entity upon behalf of which the person(s) acted, executed the instrument. WITNESS my hand and official seal.		
<u>NOTARY PUBLIC SIGNATURE</u>	NOTARY PUBLIC SEAL	

—**NOTE:** Key wording of an acknowledgment is “personally appeared.” It is not acceptable to affix an acknowledgment to a document mailed or otherwise delivered to a notary public whereby the signer did NOT personally appear before the notary public, even if the signer is known by the notary public. Also, it is not acceptable to affix a notary public seal and signature to a document without the notarial wording.

JURAT

The second form most frequently completed by a notary public is the jurat. (Government Code section 8202) The jurat is identified by the wording “Subscribed and sworn to (or affirmed)” contained in the form. In the jurat, the notary public certifies:

1. That the signer **personally appeared** before the notary public on the date indicated and in the county indicated.
2. That the signer signed the document in the presence of the notary public.
3. That the notary public administered the oath or affirmation.*
4. To the identity of the signer.

Any jurat taken within this state shall be in the following form:

State of California	
County of _____	
Subscribed and sworn to (or affirmed) before me on this ____ day of _____, 20__, by _____, personally known to me or proved to me on the basis of satisfactory evidence to be the person(s) who appeared before me.	
<u>NOTARY PUBLIC SIGNATURE</u>	NOTARY PUBLIC SEAL

—**NOTE:** Key wording of a jurat is “subscribed and sworn to (or affirmed) before me.” It is not acceptable to affix a jurat to a document mailed or otherwise delivered to a notary public whereby the signer did NOT personally appear, take an oath, and sign in the presence of the notary public, even if the signer is known by the notary public. Also, it is not acceptable to affix a notary public seal and signature to a document without the notarial wording.

**There is no prescribed wording for the oath, but an acceptable oath would be “Do you swear or affirm that the statements in this document are true?” When administering the oath, the signer and notary public traditionally each raise their right hand but this is not a legal requirement.*

PROOF OF EXECUTION BY A SUBSCRIBING WITNESS

If a person, called the principal, has signed a document, but does not personally appear before a notary public, another individual can appear on that principal’s behalf to prove the execution by the principal. That person is called a subscribing witness. (Civil Code section 1195)

NOTE: A proof of execution by a subscribing witness cannot be used in conjunction with any quitclaim deed, grant deed document (other than a trustee’s deed or a deed of reconveyance), mortgage, deed of trust or security agreement. (Government Code section 27287 and Civil Code section 1195(b))

The requirements for proof of execution by a subscribing witness are as follows:

1. The subscribing witness must prove that the person whose name is subscribed to the instrument as a party is the person described in it, and that such person executed it, and that the witness subscribed his name thereto as a witness (Civil Code section 1197); and
2. The subscribing witness must say, under oath, that he or she either saw the principal sign the document or in the presence of the principal heard the principal acknowledge that he or she signed the document. (Code of Civil Procedure section 1935; Civil Code section 1195); and

3. The subscribing witness must say, under oath, that he or she was requested by the principal to sign the document as a witness and that he or she did so (Code of Civil Procedure section 1935, Civil Code section 1195); and
4. The notary public must identify the subscribing witness based on personal knowledge or the identity of the subscribing witness must be proven to the notary public by the oath of a third person (credible witness) who personally knows the subscribing witness. The credible witness must be personally known by the notary public (Civil Code sections 1195, 1196); and
5. The subscribing witness must sign the notary public's official journal. (Government Code section 8206(a)(2)(C)) In addition, if the identity of the subscribing witness was established by a credible witness, then the credible witness must also sign the notary public's official journal. (Government Code section 8206(a)(2)(D))

NOTE: Paper identification cannot be used to establish the identity of the principal, subscribing witness or credible witness. This is because the identity of the principal is established by the oath of the subscribing witness who personally knows the principal. The identity of the subscribing witness is established by the notary public's personal knowledge of the subscribing witness or the oath of a credible witness who personally knows the subscribing witness. The identity of the credible witness is based on the personal knowledge of the notary public.

The following scenario provides an example of how proof by a subscribing witness may be used:

The *principal*, Wayne, needs to have his signature on a document notarized.

Wayne is in the hospital and, therefore, cannot appear before Sally, the *Notary Public*, in order to get his signature notarized.

Brian, a longtime friend of Wayne, is at the hospital visiting Wayne. Wayne asks Brian to sign the document as a Subscribing Witness and Brian does so. Wayne could have either signed the document in Brian's presence or have signed it prior to Brian's arrival. If the document was signed prior to Brian's arrival, Wayne would need to acknowledge to Brian that he, Wayne, had signed the document. Wayne gives the document to Brian to take to Sally, who personally knows Brian.

Sally places Brian under oath. Under oath, Brian swears or affirms that he personally knows Wayne, he saw Wayne sign the document (or heard Wayne acknowledge signing the document), Wayne requested that he, Brian, sign as a witness and he, Brian, did so. Brian signs Sally's notary public journal as the subscribing witness. Sally completes the Proof of Execution Certificate and attaches it to the document. She then completes her notary public journal entry. (Sally must identify Brian through personal knowledge. No paper identification is permitted.) Brian takes the document back to Wayne.

Shown below is a suggested format for proof of execution by a subscribing witness. (Civil Code section 1195) Other formats with similar wording may also be acceptable.

State of California }
 County of _____ } ss.

On _____ (date), before me, the undersigned, a notary public for the state, personally appeared _____ (subscribing witness's name), personally known to me (or proved to me on the oath of _____ [credible witness's name], who is personally known to me) to be the person whose name is subscribed to the within instrument, as a witness thereto, who, being by me duly sworn, deposed and said that he/she was present and saw/heard _____ (name[s] of principal[s]), the same person(s) described in and whose name(s) is/are subscribed to the within and annexed instrument in his/her/their authorized capacity(ies) as (a) party (ies) thereto, execute or acknowledge executing the same, and that said affiant subscribed his/her name to the within instrument as a witness at the request of _____ (name[s] of principal[s]).

WITNESS my hand and official seal.

NOTARY PUBLIC SIGNATURE

NOTARY PUBLIC SEAL

—**NOTE:** It is not acceptable to affix a notary public seal and signature to a document without the notarial wording.

SIGNATURE BY MARK

When the signer of an instrument cannot write (sign) his or her name, that person may sign the document by mark. (Civil Code section 14) The requirements for notarizing a signature by mark are as follows:

1. The person signing the document by mark must be identified by the notary public by either personal knowledge or satisfactory evidence. (Civil Code section 1185)
2. The signer's mark must be witnessed by two persons who must subscribe their own names as witnesses on the document. One witness should write the person's name next to the person's mark and then the witness should sign his or her name as a witness. The witnesses are only verifying that they witnessed the individual make his or her mark on the document. A notary public is not required to identify the two persons who witnessed the signing by mark or to have the two witnesses sign the notary public's journal.
EXCEPTION: If the witnesses were acting in the capacity of credible witnesses in establishing the *identity* of the person signing by mark, then the witnesses' signatures must be entered in the notary public's journal.

Following is an example of a document executed by Signature by Mark:

I, Bob Smith, give my power of attorney to Jane Brown to act as my attorney-in-fact on all matters pertaining to the handling of my estate, finances, and investments. This Power of Attorney is to remain in effect until another document revoking this instrument has been filed of record thereby rendering this instrument null and void.

Date: Feb. 5, 1998 Name: X Bob Smith By: Vicki Jones

—NOTE: It is not acceptable to affix a notary public seal and signature to a document without the notarial wording.

POWERS OF ATTORNEY - CERTIFYING

A notary public can certify copies of powers of attorney. A certified copy of a power of attorney that has been certified by a notary public has the same force and effect as the original power of attorney. (Probate Code section 4307)

A suggested format for the certification is shown below. Other formats with similar wording may also be acceptable.

State of California }
 County of _____ }

I (name of notary public), Notary Public, certify that on (date), I examined the original power of attorney and the copy of the power of attorney. I further certify that the copy is a true and correct copy of the original power of attorney.

NOTARY PUBLIC SIGNATURE NOTARY PUBLIC SEAL

—NOTE: It is not acceptable to affix a notary public seal and signature to a document without the notarial wording.

NOTARIZATION OF INCOMPLETE DOCUMENTS

A notary public may not notarize a document which is incomplete. If presented with a document for notarization, which the notary public knows from his or her experience to be incomplete or is without doubt on its face incomplete, the notary public must refuse to notarize the document. (Government Code section 8205)

CERTIFIED COPIES

California statute specifies that a notary public may only certify copies of powers of attorney under Probate Code section 4307, and copies of his or her notary public journal. (Government Code sections 8205(a)(4), 8205(b)(1) and 8206(e))

Certified copies of birth, fetal death, death, and marriage records may be made only by the State Registrar, by duly appointed and acting local registrars during their term of office, and by county recorders. (Health & Safety Code section 103545)

ILLEGAL ADVERTISING

California law requires any non-attorney notary public who advertises notarial services in a language other than English to post a prescribed notice, in English and the other language, that the notary public is not an attorney and cannot give legal advice about immigration or any other legal matters. The notary public must also list the fees set by statute which a notary public may charge for notarial services. In any event, a notary public may not translate the term “Notary Public,” defined as “notario publico” or “notario,” into Spanish, even if the prescribed notice is also posted. A first offense of this law is grounds for the suspension or revocation of a notary public’s commission. A second offense shall be grounds for the permanent revocation of a notary public’s commission. (Government Code section 8219.5)

A notary public is legally barred from advertising in any manner whatsoever that he or she is a notary public if the notary public promotes himself or herself as an immigration specialist or consultant. (Government Code section 8223)

IMMIGRATION DOCUMENTS

Contrary to popular belief, there is no prohibition against notarizing immigration documents. However, several laws specifically outline what a notary public can and cannot do. Only a person who is qualified and bonded as an immigration consultant under the Business and Professions Code may assist a client in completing immigration forms. A notary public may not charge any individual more than \$10 for each set of forms, unless the notary public is also an attorney who is rendering professional services as an attorney. (Government Code section 8223)

CONFIDENTIAL MARRIAGE LICENSES

A notary public who is interested in authorizing confidential marriages may apply for approval to the county clerk in the county in which the notary public resides. A notary public *shall not* authorize a confidential marriage unless he or she is approved by the county clerk having jurisdiction. The county clerk offers a course of instruction, which a notary public must complete before authorization will be granted. Additionally, in order for a notary public to *perform* the marriage, he/she must be one of the persons authorized under Family Code sections 400 to 402, e.g., priest, minister, or rabbi. The county clerk in the county where the notary public resides may or may not approve the authorizing of confidential marriages. It is best to check with the county clerk if interested in obtaining approval.

GROUND FOR DENIAL, REVOCATION, OR SUSPENSION OF APPOINTMENT AND COMMISSION

The Secretary of State may refuse to appoint any person as notary public or may revoke or suspend the commission of a notary public for specific reasons. These reasons include but are not limited to: a substantial misstatement or omission in the application; conviction of a felony or a disqualifying criminal conviction; failure to furnish the Secretary of State with certified copies of the notary public journal when requested to do so or to provide information relating to official acts performed by the notary public; charging more than the fee prescribed by law; failure to complete the acknowledgment at the time the notary public's seal and signature are attached to the document; executing a false certificate; failure to submit to the Secretary of State any court ordered money judgment, including restitution; failure to secure the sequential journal or the official seal; illegal advertising. (Government Code sections 8205, 8214.1, 8219.5 and 8223)

In addition, the Secretary of State may deny the notary public application or suspend the notary public commission of a person who has not complied with child or family support obligations. (Family Code section 17520)

DISCIPLINARY GUIDELINES

The Secretary of State has instituted disciplinary guidelines in order to facilitate due process and to maintain consistency in reviewing applications, investigating alleged violations, and implementing administrative actions. (Government Code section 8220)

The disciplinary guidelines are designed to assist administrative law judges, in addition to assisting attorneys, notaries public, applicants, and others involved in the disciplinary process. The disciplinary guidelines are used to determine what disciplinary action will be taken for violations of notary public law. The disciplinary guidelines are available on the Secretary of State's website or can be mailed to you upon request. Please refer to the inside front cover of this handbook for our website and mailing addresses.

FEES

Government Code section 8211 specifies the maximum fees that may be charged for notary public services; however, a notary public may elect to charge no fee or an amount that is less than the maximum amount prescribed by law. The charging of a fee and the amount of the fee charged is at the discretion of the notary public or the notary public's employer provided it does not exceed the maximum fees. The notary public is required to make an entry in the notary public journal even if no fee was charged, such as "no fee" or "0." (Government Code section 8206)

EXCEPTIONS: 1) Pursuant to Government Code section 8203.6, no fees shall be collected by notaries public appointed to military and naval reservations in accordance with 8203.1; 2) pursuant to Elections Code section 8080, no fee shall be collected by notaries public for verifying any nomination document or circulator's affidavit; and 3) pursuant to Government Code section 6107, no fee may be charged to a United States military veteran for notarization of an application or a claim for a pension, allotment, allowance, compensation, insurance, or any other veteran's benefit. In addition, Government Code section 6100 requires any notary public who is appointed to act for and on behalf of certain public agencies, pursuant to Government Code section 8202.5, to charge for all services and remit the fees received to the employing agency. The fee charged must still be entered in the journal.

CHANGE OF ADDRESS

A notary public is required to notify the Secretary of State in writing, by certified mail, within 30 days of any change of business **or** residence address. (Government Code section 8213.5) Upon the change of a business address to a new county, a notary public may elect to file a new oath of office and bond in the new county. However, this is optional. Once commissioned, a notary public may perform notary public services anywhere in the state. The original oath and bond must be filed in the county where the notary public maintains their principal place of business as shown in the application filed with the Secretary of State. It is permissive as to whether or not a county transfer is filed with the new county after the original oath and bond have been filed in the original county should the notary public move. (Government Code section 8213) There is no fee for the processing of address change notifications with the Secretary of State.

NOTE: To ensure proper processing, please include the following when submitting an address change notification:

- name of the notary public exactly as it appears on the commission certificate;
- commission number and expiration date of the commission;
- whether the address change is for the business, residence, and/or for mailing purposes; and
- new business, including business name; residence; and/or mailing address.

Please be sure the request is signed and dated by the notary public. The change of address can be submitted in letter form or, for your convenience, an address change form is available on the Secretary of State's website or can be mailed to you upon request. Please refer to the inside front cover of this handbook for our website and mailing addresses.

FOREIGN LANGUAGE

A notary public can notarize a signature on a document in a **foreign language** with which they are not familiar, as a notary public is not responsible for the contents of the document. The notary public should be able to identify the type of document being notarized for entry in the notary public's journal. If unable to identify the type of document, the notary public must make an entry to that effect in their journal, e.g. "a document in a foreign language." The notary public should be mindful of the completeness of the document and must not notarize the signature on the document if the document appears to be incomplete. The notary public is responsible for completing the acknowledgment or jurat form. When notarizing a signature on a document, a notary public must be able to communicate with their customer in order for the signer to either swear to or affirm the contents of the affidavit or to acknowledge the execution of the document. An interpreter should not be used, as vital information could be lost in the translation. If a notary public is unable to communicate with a customer, the customer should be referred to a notary public who speaks the customer's language.

COMMON QUESTIONS AND ANSWERS

- 1Q. If a person was convicted of a DUI, petty theft, trespass, etc., will that person be disqualified from becoming a notary public?
- A. The Secretary of State cannot make a determination as to whether or not a person meets the qualifications to become a notary public until a thorough background check has been completed. If you are concerned as to whether you may be disqualified from becoming a notary public based upon past conviction information, please refer to the *Notary Public Disciplinary Guidelines (2001)*, which also includes a list of the most common disqualifying convictions. The disciplinary guidelines are available on the Secretary of State's website or can be mailed to you upon request. Please refer to the inside front cover of this handbook for our website and mailing addresses.

- 2Q. I had a conviction over 25 years ago. Do I still need to disclose this conviction on my application?
- A. There is no time limit for disclosure of convictions. If you have *ever* been convicted, including being convicted for a DUI, you must disclose this on your application.
- 3Q. How soon can I take the test for reappointment if I currently hold a notary public commission?
- A. It is recommended that you take the exam at least six months prior to the expiration date of your current commission if you do not want to have a break in commission terms. Keep in mind that the test results are only valid for one year from the date of the examination. (Title 2, California Code of Regulations section 20803)
- 4Q. I have been a notary public for over 20 years. Will I still be required to take the initial six-hour approved course of study?
- A. Yes, initially everyone, including those notaries public who have held previous commission terms, will be required to satisfactorily complete a six-hour course of study from an approved vendor prior to reappointment as a notary public. A list of approved vendors is available on the Secretary of State's website or can be mailed to you upon request. (Government Code section 8201(a)(3))
- 5Q. Will I be required to take an approved course of study each time I apply for reappointment?
- A. Yes, an applicant for notary public who holds a California notary public commission and who has completed the initial six-hour course of study from an approved vendor will be required to satisfactorily complete a three-hour refresher course of study from an approved vendor prior to reappointment as a notary public for all subsequent terms. In order to meet the requirement to take the three-hour refresher course, a person must apply for reappointment before the current commission expires. An applicant whose commission expires before application is made for a new commission must take an approved six-hour course, even if he or she has at least one time satisfactorily completed an approved six-hour course. (Government Code section 8201(b)(2))
- 6Q. I have taken courses in the past prior to taking the exam. Will I still be required to take the six-hour course?
- A. Yes, because in the past, you were not required to take these courses prior to being appointed as a notary public and those courses were not "approved" by the Secretary of State. However, now that mandatory education is one of the qualifications you must meet in order to become a notary public, you are required to complete the approved course of study in order to qualify. (Government Code section 8201(a)(3))
- 7Q. I have passed every notary public exam I have taken in the past. I even scored 100% on my last exam. Is there any way to skip the six-hour course and take the three-hour course instead?
- A. No, the law specifically states that for appointments made on or after July 1, 2005, you must complete a six-hour course of study approved by the Secretary of State to qualify to become a notary public. (Government Code section 8201(a)(3))
- 8Q. I have completed my approved six-hour course of study and received my Proof of Completion. What do I do with it?
- A. Once you have completed your six-hour course of study from an approved vendor, staple your Proof of Completion to the application and take both with you to the exam.
- 9Q. I have changed my business, mailing or home address, what do I do?
- A. Send the Secretary of State a letter or a change of address form by certified mail within 30 days of the change. (Government Code section 8213.5)

- 10Q. I have changed my business from one county to another, what do I do?
- A. Your commission allows you to notarize throughout the State of California, regardless of where your oath and bond are on file. If the location of your business has changed, you are required to send the Secretary of State an address change via certified mail within 30 days of the change. If the address change is for your business, please include the business name in your notification. If the address change includes a change of county, you may choose to file a new oath of office and bond in the county to which your business has moved, however a county transfer is not required. To file a county change, you must request an oath of office form from the Secretary of State. The oath will have the name of your original county, however, you will take and file your oath of office in the new county, checking the county transfer box at the bottom of the oath form. You must also take a new bond or a duplicate of the original bond and file it together with your oath of office in the new county. A certificate of authorization to manufacture a notary public seal will be sent to you once the Secretary of State has received and processed your oath of office filed in the new county. Your stamp must reflect the county where your most recent oath and bond are filed. (Government Code sections 8213 and 8213.5)
- 11Q. Am I required to see the person sign the document at the time I perform the notarization?
- A. If you are preparing a certificate of acknowledgment, then “no.” The document can be executed before the person brings it to you for notarization. In an acknowledgment, the signer must personally appear before you and acknowledge that he/she executed the document, not that he/she executed the document in your presence. However, when preparing a jurat, then “yes.” The person requesting the jurat must appear before you, take an oath, and sign the document in your presence. In addition, for both an acknowledgment and a jurat, the notary public must certify to the identity of the signer. (Civil Code section 1189 and Government Code section 8202)
- 12Q. I lost my stamp or journal, what do I do?
- A. Send a letter immediately by certified mail to the Secretary of State explaining what happened and, if applicable, a photocopy of a police report. Upon written request, the Secretary of State will send an authorization so you can have a new stamp made. (Government Code sections 8206 and 8207.3(e))
- 13Q. I have changed my name. What do I do?
- A. Send a completed name change form to the Secretary of State and, once approved, you will be issued an amended commission that reflects your new name. You will then need to file a new oath of office and an amendment to your bond with the county clerk within 30 days from the date the amended commission was issued in order for the name change to take effect. Within 30 days of the filing, you must obtain a new seal that reflects the new name. Once the amended oath and bond are filed, you may no longer use the commission, including the stamp, that was issued in your previous name. If you fail to file your amended oath and bond within the 30-day time limit, the name change will become void and your commission will revert back to the previous name and you will be required to submit another name change application. (Government Code sections 8213 and 8213.6)
- 14Q. I need to request a new certificate of authorization to have a new stamp made. Is there a fee?
- A. No; however, you must send the Secretary of State a written request for a certificate of authorization. (Government Code section 8207.3(e))

- 15Q. How do I resign my commission?
- A. If you want to resign your commission, send a letter to our office and deliver all of your notarial journals, records and papers to the **county clerk** in which your current oath of office is on file within 30 days and destroy the seal. (Government Code section 8209)
- 16Q. I did not file my oath and bond on time, what do I do?
- A. If you failed to file your oath and bond within the prescribed time, your commission is **void**. (Government Code section 8213(a)) If you wish to reapply, you must complete a new application, attach your Proof of Completion to the application and send it to our office with a check for \$20.00. If you do not have your Proof of Completion, contact the vendor who provided the education to obtain a duplicate of your Proof of Completion. Keep in mind that the test results are only valid for one year from the date of the examination; and that the Proof of Completion of an approved course of study is valid for two years from the date of issuance. (Title 2, California Code of Regulations sections 20803 and 20800.5)
- 17Q. Where can I get a live scan fingerprint form?
- A. You will be sent a live scan fingerprint form with instructions once you have passed the examination.
- 18Q. I have completed the education and taken the exam, but my current commission doesn't expire until another four months. When will I receive my new commission?
- A. Although you have already completed the education and taken the test, your commission for reappointment will not be issued until 30 days prior to the expiration date of your current commission.

The Secretary of State may appoint and commission the number of state, city, county, and public school district employees as notaries public to act for and on behalf of the governmental entity for which appointed which the Secretary of State deems proper. Whenever a notary is appointed and commissioned, a duly authorized representative of the employing governmental entity shall execute a certificate that the appointment is made for the purposes of the employing governmental entity, and whenever the certificate is filed with any state or county officer, no fees shall be charged by the officer for the filing or issuance of any document in connection with the appointment.

The state or any city, county, or school district for which the notary public is appointed and commissioned pursuant to this section may pay from any funds available for its support the premiums on any bond and the cost of any stamps, seals, or other supplies required in connection with the appointment, commission, or performance of the duties of the notary public.

Any fees collected or obtained by any notary public whose documents have been filed without charge and for whom bond premiums have been paid by the employer of the notary public shall be remitted by the notary public to the employing agency which shall deposit the funds to the credit of the fund from which the salary of the notary public is paid.

§ 8202.7. Private employers; agreement to pay premium on bonds and costs of supplies; remission of fees to employer

A private employer, pursuant to an agreement with an employee who is a notary public, may pay the premiums on any bond and the cost of any stamps, seals, or other supplies required in connection with the appointment, commission, or performance of the duties of such notary public. Such agreement may also provide for the remission of fees collected by such notary public to the employer, in which case any fees collected or obtained by such notary public while such agreement is in effect shall be remitted by such notary public to the employer which shall deposit such funds to the credit of the fund from which the compensation of the notary public is paid.

§ 8202.8. Private employers; limitation on provision of notarial services

Notwithstanding any other provision of law, a private employer of a notary public who has entered into an agreement with his or her employee pursuant to Section 8202.7 may limit, during the employee's ordinary course of employment, the providing of notarial services by the employee solely to transactions directly associated with the business purposes of the employer.

§ 8203.2. Military and naval reservations, recommendation of commanding officer; jurisdiction of notary

§ 8203.3. Military and naval reservations, qualifications of notaries

§ 8203.4. Military and naval reservations; term of office; termination; resignation

The term of office shall be as set forth in Section 8204, except that the appointment shall terminate if the person shall cease to be employed as a federal civil service employee at the reservation for which appointed. The commanding officer of the reservation shall notify the Secretary of State of termination of employment at the reservation for which appointed within 30 days of such termination. § 8203.6. Military and naval reservations, fees

No fees shall be collected by such notaries public for service rendered within the reservation in the capacity of a notary public.

§ 8204. Term of office

The term of office of a notary public is for four years commencing with the date specified in the commission.

§ 8204.1. Cancellation of Commission; failure to pay; notice

The Secretary of State may cancel the commission of a notary public if a check or other remittance accepted as payment for the examination, application, commission, and fingerprint fee is not paid upon presentation to the financial institution upon which the check or other remittance was drawn. Upon receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall first give a written notice of the applicability of this section to the notary public or the person submitting the instrument. Thereafter, if the amount is not paid by a cashier's check or the equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. This second notice shall be given at least 20 days after the first notice, and no more than 90 days after the commencement date of the commission.

§ 8205. Duties

(a) It is the duty of a notary public, when requested:

(1) To demand acceptance and payment of foreign and inland bills of exchange, or promissory notes, to protest them for nonacceptance and nonpayment, and, with regard only to the nonacceptance or nonpayment of bills and notes, to exercise any other powers and duties that by the law of nations and according to commercial usages, or by the laws of any other state, government, or country, may be performed by notaries.

(2) To take the acknowledgment or proof of advance health care directives, powers of attorney, mortgages, deeds, grants, transfers, and other instruments of writing executed by any person, and to give a certificate of that proof or acknowledgment, endorsed on or attached to the instrument. Any deposition, affidavit, oath, or affirmation shall be signed by the notary public in the notary public's own handwriting.

(4) To certify copies of powers of attorney under Section 4307 of the Probate Code. The certification shall be signed by the notary public in the notary public's own handwriting.

(a) (1) A notary public shall keep one active sequential journal at a time, of all official acts performed as a notary public. The journal shall be kept in a locked and secured area, under the direct and exclusive control of the notary. Failure to secure the journal shall be cause for the Secretary of State to take administrative action against the commission held by the notary public pursuant to Section 8214.1.

(2) The journal shall be in addition to and apart from any copies of notarized documents that may be in the possession of the notary public and shall include all of the following:

(A) Date, time, and type of each official act.

(B) Character of every instrument sworn to, affirmed, acknowledged or proved before the notary.

(C) The signature of each person whose signature is being notarized.

(D) A statement as to whether the identity of a person making an acknowledgment or taking an oath or affirmation was based on personal knowledge or satisfactory evidence. If identity

was established by satisfactory evidence pursuant to Section 1185 of the Civil Code, then the journal shall contain the signature of the credible witness swearing or affirming to the identity of the individual or the type of identifying document, the governmental agency issuing the document, the serial or identifying number of the document, and the date of issue or expiration of the document.

(F) The fee charged for the notarial service.

(G) If the document to be notarized is a deed, quitclaim deed, or deed of trust affecting real property, the notary public shall require the party signing the document to place his or her right thumbprint in the journal. If the right thumbprint is not available, then the notary shall have the party use his or her left thumb, or any available finger and shall so indicate in the journal. If the party signing the document is physically unable to provide a thumbprint or fingerprint, the notary shall so indicate in the journal and shall also provide an explanation of that physical condition. This paragraph shall not apply to a trustee's deed resulting from a decree of foreclosure or a nonjudicial foreclosure pursuant to Section 2924 of the Civil Code, nor to a deed of reconveyance.

(b) If a sequential journal of official acts performed by a notary public is stolen, lost, misplaced, destroyed, damaged, or otherwise rendered unusable as a record of notarial acts and information, the notary public shall immediately notify the Secretary of State by certified or registered mail. The notification shall include the period of the journal entries, the notary public commission number, and the expiration date of the commission, and when applicable, a photocopy of any police report that specifies the theft of the sequential journal of official acts.

(c) Upon written request of any member of the public, which request shall include the name of the parties, the type of document, and the month and year in which notarized, the notary shall supply a photostatic copy of the line item representing the requested transaction at a cost of not more than thirty cents (\$0.30) per page.

(d) The journal of notarial acts of a notary public is the exclusive property of that notary public, and shall not be surrendered to an employer upon termination of employment, whether or not the employer paid for the journal, or at any other time. The notary public shall not surrender the journal to any other person, except the county clerk, pursuant to Section 8209, or to a peace officer, as defined in Sections 830.1, 830.2, and 830.3 of the Penal Code, acting in his or her official capacity and within his or her authority, in response to a criminal search warrant signed by a magistrate and served upon the notary public by the peace officer. The notification shall include the period of the journal entries, the commission number of the notary public, the expiration date of the commission, and a photocopy of the receipt. The notary public shall obtain a new sequential journal. A notary public who is an employee shall permit inspection and copying of journal transactions by a duly designated auditor or agent of the notary public's employer, provided that the inspection and copying is done in the presence of the notary public and the transactions are directly associated with the business purposes of the employer. The notary public, upon the request of the employer, shall regularly provide copies of all transactions that are directly associated with the business purposes of the employer, but shall not be required to

provide copies of any transaction that is unrelated to the employer's business. Confidentiality and safekeeping of any copies of the journal provided to the employer shall be the responsibility of that employer.

(e) The notary public shall provide the journal for examination and copying in the presence of the notary public upon receipt of a subpoena duces tecum or a court order, and shall certify those copies if requested.

The seal of every notary public commissioned on or after January 1, 1992, shall contain the sequential identification number assigned to the notary and the sequential identification number assigned to the manufacturer or vendor. The notary public shall authenticate with the official seal all official acts.

A notary public shall not use the official notarial seal except for the purpose of carrying out the duties and responsibilities as set forth in this chapter. A notary public shall not use the title "notary public" except for the purpose of rendering notarial service.

The seal of every notary public shall be affixed by a seal press or stamp that will print or emboss a seal which legibly reproduces under photographic methods the required elements of the seal. The seal may be circular not over two inches in diameter, or may be a rectangular form of not more than one inch in width by two and one-half inches in length, with a serrated or milled edged border, and shall contain the information required by this section.

The seal shall be kept in a locked and secured area, under the direct and exclusive control of the notary. Failure to secure the seal shall be cause for the Secretary of State to take administrative action against the commission held by the notary public pursuant to Section 8214.1.

The official seal of a notary public is the exclusive property of that notary public, and shall not be surrendered to an employer upon the termination of employment, whether or not the employer paid for the seal, or to any other person. (d) A copy of a certificate of authorization shall be retained by a vendor and the original, which shall contain a sample impression of the seal issued to the notary public, shall be submitted to the Secretary of State for verification and recordkeeping. The Secretary of State shall develop guidelines for submitting certificates of authorization by vendors.

(e) Any notary whose official seal is lost, misplaced, destroyed, broken, damaged, or is rendered otherwise unworkable shall immediately mail or deliver written notice of that fact to the Secretary of State. (a) No later than 30 days after the beginning of the term prescribed in the commission, every person appointed a notary public shall file an official bond, and an oath of office in the office of the county clerk of the county within which the person maintains a principal place of business as shown in the application submitted to the Secretary of State, and the commission shall not take effect unless this is done within the 30-day period. A person appointed to be a notary public shall take and subscribe the oath of office either in the office of that county clerk or before another notary public in that county. If the oath of office is taken and subscribed before a notary public, the oath and bond may be filed with the county clerk by certified mail. The county clerk shall retain the oath of office for one year following the expiration of the term of the commission for which the oath was taken, after which the oath may be destroyed or otherwise disposed of. The copy of the oath, personally signed by the notary public, on file with the Secretary of State may at any time be read in evidence with like effect as the original oath, without further proof.

(b) If a notary public transfers the principal place of business from one county to another, the notary public may file a new oath of office and bond, or a duplicate of the original bond with

the county clerk to which the principal place of business was transferred. If the notary public elects to make a new filing, the notary public shall, within 30 days of the filing, obtain an official seal which shall include the name of the county to which the notary public has transferred. In a case where the notary public elects to make a new filing, the same filing and recording fees are applicable as in the case of the original filing and recording of the bond.

(c) If a notary public submits an application for a name change to the Secretary of State, the notary public shall, within 30 days from the date an amended commission is issued, file a new oath of office and an amendment to the bond with the county clerk in which the principal place of business is located. If the principal place of business address was changed in the application for name change, either a new or duplicate of the original bond shall be filed with the county clerk with the amendment to the bond. The notary public shall, within 30 days of the filing, obtain an official seal that includes the name of the notary public and the name of the county to which the notary public has transferred, if applicable.

If a notary public changes his or her name, the notary public shall complete an application for name change form and file that application with the Secretary of State. Information on this form shall be subject to the confidentiality provisions described in Section 8201.5. The term of the commission and commission number shall remain the same.

§ 8214. Misconduct or neglect

For the official misconduct or neglect of a notary public, the notary public and the sureties on the notary public's official bond are liable in a civil action to the persons injured thereby for all the damages sustained.

§ 8214.2. Fraud relating to deed of trust; single-family residence; felony

A notary public who knowingly and willfully with intent to defraud performs any notarial act in relation to a deed of trust on real property consisting of a single-family residence containing not more than four dwelling units, with knowledge that the deed of trust contains any false statements or is forged in whole or in part, is guilty of a felony.

§ 8214.3. Hearing prior to denial or revocation of commission or imposition of civil penalties; law governing; exceptions

Prior to a revocation or suspension pursuant to this chapter or after a denial of a commission, or prior to the imposition of a civil penalty, the person affected shall have a right to a hearing on the matter and the proceeding shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, except that a person shall not have a right to a hearing after a denial of an application for a notary public commission in either of the following cases:

(b) The Secretary of State has entered an order pursuant to Section 8214.4 finding that the applicant has committed or omitted acts constituting grounds for suspension or revocation of a notary public's commission.

§ 8214.4. Resignation or expiration of commission not a bar to investigation or disciplinary proceedings

Notwithstanding this chapter or Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, if the Secretary of State determines, after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, that any notary public has committed or omitted acts constituting grounds for suspension or revocation of a notary public's commission, the resignation or expiration of the notary public's commission shall not bar the Secretary of State from instituting or continuing an investigation or instituting disciplinary proceedings. Upon completion of the disciplinary proceedings, the Secretary of State shall enter an order finding the facts and stating the conclusion that the facts would or would not have constituted grounds for suspension or revocation of the commission if the commission had still been in effect.

§ 8214.5. Revocation of commission; filing copy with county clerk

Whenever the Secretary of State revokes the commission of any notary public, the Secretary of State shall file with the county clerk of the county in which the notary public's principal place of business is located a copy of the revocation. (d) The Secretary of State shall suspend for a period of not less than one year or revoke the commission of any notary public who fails to comply with subdivision (a) or (c). However, on the second offense the commission of such notary public shall be revoked permanently.

If notary services are performed in relation to the set of immigration forms, additional fees may be collected pursuant to Section 8211. This fee limitation shall not apply to an attorney, who is also a notary public, who is rendering professional services regarding immigration matters.
